# Welcome back

Together, we step back into the spotlight with a remixed 2020 program featuring exceptional artists performing extraordinary music with the biggest band in town, WASO. We're so proud to be West Australian, and privileged to live in the most isolated city in the world. This remixed program celebrates our unique opportunity to safely sit side by side in theatres and concert halls to share extraordinary music with you.

We will do everything in our power to present the remixed program listed in this brochure but, as we all know, we may have to vary the repertoire or artists should Government guidelines or travel restrictions change. If that happens, we will let you know.

We all need music and a shared live experience now, more than ever. Sit back, relax and enjoy a safe return to concert-going in Western Australia with WASO.

Look out for the icons below throughout this diary and join us this season to share extraordinary music with the biggest band in town.

**EPIC DRAMA**

Awaken the soul.

**DATE NIGHT**

**ADVENTURE**

Be brave and buckle up.

**UNWIND**

The wheel of fortune spins on the pleasures of lust and the perils of life in a collection of 24 medieval poems thrillingly sung by a 130-voice choir with WASO.

West Australian conductor Jessica Gethin makes her WASO debut in these Remixed Season-opening concerts.

Mozart's comedy deals superficially with boisterous boys, scheming friends and wanton women. But beneath lies a moving journey of love, trust and redemption, of farewells and new beginnings. This Glyndebourne Festival production is proudly presented for the first time in Australia by West Australian Opera.
